

Hi There!

We need your help

Every year we host a diverse assortment of school events, ranging from fundraisers, the homecoming festival, to multicultural week. Each of these events are spearheaded by respective classes and at the expense of our class account. Our class is requesting an optional donation of 25\$, although any amount is appreciated.

Where is the money going to go?

Simply put, back to you!

Your donation will go directly to the Associated Student Body, which will then get transferred to our class account, personally helping our class in various notable ways:

Future class apparel,
Annual campus renovation,
The funding and support of homecoming,
Lower costs for admission to events like junior prom,
And a streamlined high school experience that is Unforgettable.

25 dollars will help us remarkably. But anything helps! Feel free to give a donation of your own preferable amount.

I would like to donate:

- ☐ The suggested 25\$
☐ My own amount _____\$
-

Receipts will be available on request • Donations are tax-deductable • make all checks payable to MSJ ASB (separate from order form check) • both cash and check accepted
